KYEM EARTHQUAKE PROGRAM

MEMO: Brig. Gen. John Heltzel, Director Kentucky Division of Emergency Management

TO: All Kentucky elementary principals and teachers

RE: Statewide Earthquake Awareness Poster Winner Selection Guidelines

As a part of the **Earthquake Awareness & "Great ShakeOut"** instructional unit; elementary students across Kentucky are invited to create a classroom poster promoting earthquake awareness. A statewide winner from each grade level will be selected and each winner will receive an Apple iPod Shuffle from the **Kentucky Division of Emergency Management (KYEM)**. Winning posters will be displayed at KYEM's website and highlighted in promoting Earthquake Awareness 2012.

- Each school should select their best poster from each of the 3rd, 4th, and 5th grade class entries
- All posters must be submitted by the school principal or lead teacher to the KYEM Earthquake Program Coordinator, David Davis, at david.davis45@us.army.mil
- All posters must be submitted digitally, either scanned or by photograph in: jpeg, gif or pdf format
- All posters **MUST** be submitted to KYEM by March 28, 2011 to be eligible
- All submissions must include the name of the school, name of student with his or her age, name of school principal and name of classroom teacher
- Winners from each statewide grade level will be notified by April 28, 2011
- Winning results will be posted on the KYEM Web site and announced in statewide and regional press releases
- Winning posters will be highlighted during promotion of Earthquake Awareness 2012
- Full details are included in the **Earthquake Awareness & "Great ShakeOut"** instructional unit

To build earthquake awareness and preparedness, the Commonwealth of Kentucky will participate in the first multi-regional, national-level, earthquake exercise May 16th -20th, 2011.
